

FOOD SERVICES MANAGER

An independent, outgoing employer through the model 'In Company of Friends' is looking for a female Food Services Manager. The position is a one-year renewable, independent contract. The employer is looking for a candidate that can provide a stable, reliable system of food management and delivery, within a specific given budget and who has demonstrated qualities of punctuality, and appreciation of the importance of maintaining a very strict, health-related diet.

In the Company of Friends is a funding model offered by Manitoba Family Services to Manitobans living with a disability. A person who chooses this option is the employer, who self-directs and manages her own life with the support of friends and family.

Responsibilities of the Food Services Manager include but are not limited to:

- Establishing a friendly, professional relationship with the employer and be able to communicate in a positive way so that any menu adjustments for special events etc, can be negotiated with as little stress and disruption as possible while staying within caloric limits
- Maintain strict adherence to employer's diet
- Pick up and sort pre-packaged Jenny Craig meals, according to the pre-set menu
- Deliver meals to individual, 4 times a day on an established time schedule.
- Grocery shop for fresh fruits and vegetables and prepare fresh, attractive, low-calorie salads and snacks as required, in own home
- Be willing to communicate with the employers staff members when delivering food

Qualifications and Skills:

- Sensitivity to food issues
- Knowledge of PWS is useful but not required
- Must be able to exemplify the qualities of a friendly professional that demonstrates respect, punctuality and trustworthiness

Requirements:

- Driver's licence and use of a car
- Criminal Record and Adult Abuse Registry check needed upon hire

Additional Information:

Contract value is \$1000 per month

Without changing the basic responsibilities as listed above, the contractor is free to subcontract work to others, hire assistants, and/or adjust how things are done within the total agreed-upon monthly rate, and with approval of the employer's support network.

Location: Garden City area
