

Are you an energetic individual that enjoys helping others? Do you enjoy being active and out in the community? Do you have a leading personality? Do you see support work as a career in your future?

Then we are looking for you!

We are currently looking to hire a home support worker for an adult male with Cerebral Palsy.

Some of the duties include:

- Light, but daily household chores
- Being in and out of the community (sporting events around Brandon, including volleyball, basketball and hockey), take client to jobs when required
- Must prepare basic meals
- Assisting with active programs, (reading, typing, physical activity at the Healthy Living Centre or at client's house or out in the community, walking program, etc.)
- ability to function with repetitive daily duties
- Must be willing to do hygiene needs on client
- Must have a basic or high computer background, or be willing to learn
- Must be able to be a positive role model to the client

We are looking to hire for part time evening/weekend staff. Part time evening/weekend shifts are 5pm-9pm evenings throughout week, 9am - 5pm day shifts on weekends (can be every second weekend). Hours can vary due to client's commitments and community outings. There may be some overnight work available as well.

We request:

- Criminal Record Check - willing to get within first two months of hire.
- Adult Abuse Registry – willing to get within first three months upon hire
- First Aid & CPR – willing to get within first three months upon hire
- Fluent (read and write) in English
- Experience is an asset, or we will be willing to train
- Hours could be more/less due to clients' availability
- Must have valid drivers license to transport client in company van

Hourly wage will be negotiated due to experience. This opportunity will look good on your future resumes. Start date immes.
